

Scott H. Irwin
Media Bio
September 2023

Dr. Scott H. Irwin, the Laurence J. Norton Chair of Agricultural Marketing at the University of Illinois Urbana-Champaign, is a leading global figure in agricultural economics and a multi-published author of commodity books. Renowned for his groundbreaking research on commodity markets, Irwin's work is not only influential among academics but is also a trusted resource for farmers, market analysts, journalists, and policymakers worldwide. He is a sought-after expert by major media outlets, including *The Wall Street Journal*, *The New York Times*, and *Bloomberg*, and boasts a massive social media following. His expertise spans commodity market speculation to biofuels policy and has led to Congressional testimony and recognition as an innovator in agricultural extension programs.

Irwin's dedication to cutting-edge analysis, empowering farmers, and shaping policy makes him a unique and invaluable asset to the industry.
